

MobileTestingScenario_runLoopTest_Instance3_28-Mar-2016_06-49-10_AM_Create_Account.png

The screenshot shows the 'Create Account' screen of the Wyndham Vacation Ownership mobile app. At the top, the Wyndham logo is visible, followed by a banner image of a door handle with the text 'Unlock your career potential'. Below the banner, the title 'Create Account' is displayed. The form contains several input fields: an email address field with 'TelcelWyndham+20160320_064909300@gmail.com', two password fields (the second is highlighted with a blue border), and a mobile number field with a placeholder 'Your Mobile Number'. A password requirement note states: 'Password must contain at least 1 letter, 1 number and no more than 2 identical consecutive characters. Passwords should be between 7 and 32 characters in length'. Below the inputs is a 'Create Account' button. At the bottom, there is a section 'Already have an account?' with three buttons: 'Login here', 'Lost login details?', and 'Back'.
